

HOME CARE PACKAGES

Home Care Packages (HCP's) provide more complex support to older people who choose to live in the community independently.

HCP approach are tailored to meet your individual needs and goals. We provide holistic and personalised support to help you remain living in your own home, maximising your independence and choice. We offer a comprehensive variety of services with customised discrete care.

ELIGIBILITY

To receive a HCP you need to be assessed by the Aged Care Assessment Team (ACAT) who will determine the package level to suit your care needs. Please call My Aged Care-1800 200 422 and they will be able assist you with this process.
