NATIONAL DISABILITY INSURANCE SCHEME

WHAT IS THE NATIONAL DISABILITY INSURANCE SCHEME?

The National Disability Insurance Scheme (NDIS) will provide Australians aged under 65, who have a permanent and significant disability, with funding for supports and services. The NDIS puts you at the centre of the decision making process about how you want to live your life.

The NDIS can provide all people with a disability with information and connection to services in their communities such as doctors, sporting clubs, support groups, libraries and schools, as well as information about what support is provided by each state and territory government.

WHAT NDIS SERVICES DO FOOTPRINTS PROVIDE?

Footprints is a registered provider of services under the NDIS. We offer services tailored to meet your needs and the supports funded in your NDIS Plan.

If you have an NDIS plan you can contact us about putting your plan into action.

The NDIS puts more control and decision-making in your hands, and Footprints can work alongside you to support you to meet your needs and goals.

The NDIS opens up more opportunities and as a registered provider, we can assist you to prepare for and understand the NDIS.
