

Occupational Therapist

Fixed term part-time until 30 July 2021
16hrs per week (flexibility around days)

Footprints in Brisbane Inc. is a well-regarded not-for-profit community based organisation with locations in Fortitude Valley, West End and Kingston, providing a range of programs to people who are older, have a disability, experience mental illness, are homeless and are financially/socially disadvantaged. We offer an extensive range of community based services including the broad spectrum of services now offered under the National Disability Insurance Scheme (NDIS).

About the role

This position is responsible for delivering community based occupational therapy interventions for a diverse range of clients, and to assist eligible clients to remain in their own homes in the community by enhancing informal supports as well as recommending, coordinating and developing linkages to relevant formal support services.

About you

- Bachelor of Applied Science in Occupational Therapy and current registration with AHPRA
- Demonstrated knowledge and experience in community based assessment and rehabilitation including equipment prescription and home modifications
- Demonstrated experience in a Case Management model utilising an Occupational Therapy framework, reflecting a strengths based approach
- Demonstrated knowledge and/or experience in working with a diverse client group including people who are ageing, people with mental illness, dementia and younger people with a disability and their carers/families
- Demonstrated knowledge and experience in community networking and working collaboratively with other service providers to plan and provide consistent, responsive and appropriate client focused support
- Well-developed written and verbal communication skills and customer service skills, including a client-centred approach to healthcare and the ability to produce accurate client files
- Current class C driver license, Yellow Card and satisfactory national police check

We offer

- Flexible work arrangements
- Attractive remuneration with generous salary sacrifice benefits
- Opportunities for ongoing professional development and training
- A committed and friendly team work environment
